Local Forecast

Fair tonight and Friday. Slightly cooler south and central portions tonight.

Light frost in north portion.

This part of the country had quite a scare last night. Reports of snow and frost in Georgia and other states to the north were accentuated by a rapidly falling temperature, the mercury falling thirteen degrees between noon and sundown. A frost last night would have been ruinous. The mercury stood at 46 this morning, but cloudy weather saved us from disaster.

The Baptist ladies will hold an Easter bazaar Friday, April 2, in the store room on the southwest corner of the Harrington block. A varied line of fancy work articles will be on sale, also cakes and candies.

OCALA SOCIAL AFFAIRS

(Continued from Third Page)

Grand Opera

April heralds the grand opera season, Monday 26th, Saturday, May 1, inclusive. Each spring a number of Ocalans spend grand opera week in Atlanta but this year Mrs. H. M. Hampton and possibly Miss Marguerite Porter and Miss Ethel Haycraft in all probability will be the only ones to go.

The program shows a varied repertoire which is sure to appeal. Four evening and three afternoon performances will be given as follows: Meyerbeer's "Les Huguenots" (in Italian) Monday evening, April 26. Offenbach's "Les Contes D'Hoffman" (in French) Tuesday afternoon, April 27. Bizet's "Carmen" (in French) Wednesday evening, April 28. Verdi's "Rigoletto" (in Italian) Thursday afternoon, April 29. Montemezzi's "L'Amore Del Tre Re" (in Italian) Friday evening, April 30. Mozart's "Die Zauberflöte" (in German) Saturday afternoon, May 1. Giordano's "Madame San Genesio" (in Italian) Saturday evening, May 2.

Assisting at the Methodist bazaar held today on the north end of the Ocala House piazza were Mrs. J. P. Galloway, chairman of the embroidery committee, Mrs. Thomas, Mrs. Meade, Mrs. Stripling, Mrs. Harley, Mrs. J. A. Bouvier, chairman of the candy committee, Mrs. Gross, Mrs. Clyatt, Mrs. Minshall and others. All except a few pieces of fancy work were disposed of. The sale netted the sewing circle quite a nice sum of money.

Mrs. Andrew Turner, who has been the guest of her sister, Mrs. W. K. Kewadski for several weeks, returned to her home in Dunnellon today.

Master Hardy Croom was taken suddenly quite ill last night. He is better today.

The Eastern Star sewing circle enjoyed a splendid meeting in Yonge's hall Wednesday afternoon. During the afternoon white and caramel cake and coffee were served by Mrs. Kramer, Mrs. Burnett and Miss Erin Yonge.

The teachers of the Episcopal Sunday school will give their classes an Easter egg hunt Monday afternoon at the home of Mr. and Mrs. C. S. Cullen.

Mrs. A. C. Hamrick of Tampa is in the city, coming in response to a telegram announcing the illness of her sister, Mrs. E. J. Crook.

Mr. and Mrs. Sam Leigh are spending this week in Tampa and other points in South Florida.

Miss Marie Haile returned home Tuesday from an extended visit to relatives and friends in Farnville and Hampton-Sidney, Va.

The Woman's Missionary Society will meet tomorrow afternoon at 3 o'clock at the Methodist church.

Mrs. J. Bradford Webb of Kendrick is attending to her Easter shopping in the city today.

Up to 3 o'clock this afternoon, no blushing couple had taken advantage of Judge Smith's offer of a free marriage license and wedding ceremony for the first of April. A stingy old widower of our acquaintance tried to prevail on a handsome young widow to go with him before the judge at 7 a. m., but she turned him down cold. A license was issued to Robert Wilson Titus and Kathleen Anita McDaniel, but they had not heard of the offer and bought the license from the judge's deputy. The last licenses issued in March were to Louis Walker and Lucile Brown, to Jim Spann and Minnie Washington.

SURGICAL MAGNETS

Paris, April 1.—In the hospitals of France magnets have been developed that will draw fragments of shrapnel to the surface from a depth in the flesh of even six inches, and steel-jacketed bullets have been drawn out from a depth of more than two inches.

At the Invalids' Hotel in Buffalo, N. Y., are many as wonderful magnetic, high frequency currents, X-ray, violet rays. Then Dr. Pierce has equipped the sanitarium with every known device to aid the sick and in the surgical department every instrument and appliance approved by the modern operator. The permanent cure of rupture is accomplished here without pain with local anaesthesia. Stone in the bladder and gravel are removed in many cases without pain and the patient can return home cured in a few days.

Dr. R. V. Pierce, nearly half a century ago, devised and used two prescriptions which were almost unfailing. They were made without alcohol or narcotics, extracted from roots and herbs by using pure glycerine and the ingredients are made public.

Dr. Pierce's Golden Medical Discovery is a tonic and blood purifier that cures pimples, blotches, sores, humors, eruptions and diseases of the skin. Nothing stands as high today in the estimation of thousands of women as Dr. Pierce's Favorite Prescription—this is a soothing nerve which cures the functional derangements and painful disorders of women. For girls about to enter womanhood women about to become mothers and for the changing days of middle age Dr. Pierce's Favorite Prescription should always be on hand. In liquid or tablets. Write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for free 136-page book on woman's diseases. Every woman should have one.

Dr. Pierce's Medical Adviser, cloth-bound, sent free to you on receipt of 3 dimes (or stamps) to pay expense of mailing only.—Adv.
